United Renewable Energy Announced 2018 December Revenue of NT\$1,554 Million with 46.8% growth YoY

United Renewable Energy (“URE”, or “the Company”, 3576 TT), announced December 2018 revenue of NT\$1,554 million, a significant growth of 46.8% YoY. The increase is due to strong demand from oversea market and higher shipment of solar module.

The Year-to-Date cumulative revenues reached NT\$12,927 million as of December 2018, a 26.1% increase in YoY terms as opposed to NT\$10,248 million of year 2017. The increase was a result of strategy shift that lead to stronger module and system business.
