

NEO SOLAR POWER

## NSP News Release

Taipei, 8 October 2018

### NSP Announced 2018 September Revenue of NT\$ 1,023 Million

Neo Solar Power Corporation ( “NSP” , or “the Company” , publicly listed on Taiwan Stock Exchange, Ticker: 3576 TT), announced September 2018 revenue of NT\$ 1,023 million.

The lower revenue was result of delay revenue recognition in solar system segment. The Year-to-Date cumulative revenues reached NT\$ 8,097 million as of September 2018, a 18.22% increase in YoY terms as opposed to NT\$6,849 million of year 2017.

Gintech, Solartech, and NSP completed the merger, United Renewable Energy (URE) is in transformation stage, and will continue the industry integration, and lead the Taiwan solar industry into new 2.0 era. With system integration and module business, URE will be the first to take quantum leap to future growth.
