## **NSP Announced 2016 September Revenue of NT\$ 1,038 million with MoM growth of 64.17%**

Neo Solar Power Corporation ("NSP", or "the Company", publicly listed on Taiwan Stock Exchange, Ticker: 3576 TT), a world-class leading integrated PV solution provider with expertise in high conversion efficiency products and global solar system development capabilities in Hsinchu, Taiwan, announced September 2016 revenue of NT\$ 1,038 million, representing a MoM growth of 64.17%. Year-to-Date cumulative revenues reached NT\$ 13,389 million as of September 2016.

Current Solar market has been gradually been bottomed-up. However, we should still be cautious to future market outlook. NSP will continue to control operating expenses and expedite the progress for COD & sale of solar system projects owned by NSP & GES in the second-half of this year, which is expected to improve sales revenue and profit of NSP Group.
